BMSB (BROWN MARMORATED STINK BUG) DECLARATION – AUSTRALIA/NEW ZEALAND

Dear Customers,

ALL shipments importing into Australia & New Zealand (including inlands that routes via AU/NZ). Take note of below compulsory requirements to comply WITH IMMEDIATE EFFECT.

Treatment options as per below are required.

- HEAT TREATMENT
- METHYL BROMIDE FUMIGATION
- SULFURYL FLUORIDE FUMIGATION

Certificate must be issued by an approved BSBM treatment provider

Non Compliance to the BMSB-measure may lead to return, destruction and/or additional treatment of the goods or complete container. Shipment with fraudulent certificates will either be exported or destroyed.

CEL will not be held responsible for non-compliance and will not bear any expenses for return, destruction and/or treatment.

All costs related will be passed onto shippers who have not complied.

Kindly request us for an enclosed form for all bookings to AU/NZ (including inlands) shipments.
