RE: Indonesia Regulation of Consignee TAX ID information for Indonesia's Import Shipment

Dear Customer,

Indonesia government under Ministry Of Finance has announced regulation No. 158/PMK.04/2017, that will take effect on 23 May, 2018 (Based on vessel arrival date).

Basically the regulation oblige BL to show Consignee's/Importer Tax ID Number & Cargo HS Code (first 4 digit) when submit the manifest/import document to port of authority/custom office.

All BL's have to indicate the following, as required by Indonesia Customs;

1. Tax ID (can be obtained from consignee in Indonesia)
2. First 4 digits of the HS code (description of goods).

NOTE: All consignees in Indonesia will have the TAX ID. Do not ship out if unavailable.

This is mandatory regulation and should be followed without fail .
