### **NOTICE OF TEMPORARY EMERGENCY FUEL SURCHARGE**

Dear Valued Customers,

We would like to express our sincere appreciation for your continued support and partnership with our company, and would like to formally inform you of the implementation of a Temporary Emergency Fuel Surcharge (TEFS).

Due to the sharp and prolonged increase in fuel prices, coupled with the continued rise in transportation operating costs, it has become necessary for us to implement the TEFS for the transportation service provided.

FCL Trucking  
S\$50 per container

LCL Transportation  
S\$25 per trip

The revised rates will take effect from 12 March 2026 and will apply to all deliveries and transportation services on or after this date.

This adjustment is necessary to support the rising fuel and operational expenses while ensuring that we continue to provide reliable and efficient services to our customers. All other current applicable surcharges remain unchanged unless otherwise notified.

We appreciate your understanding and continued support. Should you have any questions, please feel free to contact our office for further clarification.
